Securing, Managing, Analyzing
The Mobile Environment

Managing the mobile landscape is complex and time-consuming, requiring organizations to review, procure and integrate numerous applications and technologies.

WidePoint's scalable and flexible solutions enable increased protection consistent with the growth of your mobile enterprise, leveraging a mature infrastructure employed by Federal agencies and Fortune 500 organizations.

About MMS
Anchored by the industry's most secure platform, our solutions address all aspects of mobility deployment and management.

Mobile Security
Comprehensive mobile security solutions that protect users, devices, and corporate resources.

Expense Management
Secure cloud-based logistics, contract and SLA management backed by robust dashboard analytics providing limitless reporting options.

Telecom Lifecycle Management (TLM)
Our fully-managed SaaS solutions increase visibility into telecom spend and reduce costs.

Experience the most secure MMS platform with
WidePoint's Secure Managed Mobility Solutions

Mobile devices are revolutionizing the way business is being conducted throughout the world. They also have the potential to put your enterprise at risk—a risk that can be mitigated with the right security policies and monitoring/enforcement measures.

WidePoint's solutions secure ALL aspects of mobility:

- Mobile Security
- Secure Remote Access
- Secure Mobile Policy & Procedure Development
- Device Management
- Expense Management
- Secure Cloud-Based Lifecycle Logistics Management
- App Management
- 24x7x365 Support

Whether looking to enhance the security of your mobile devices, or build an entire mobile infrastructure, WidePoint's Secure MMS Solutions protect your corporate assets and ensure secure mobile access at a minimal incremental cost.

WidePoint's Secure MMS Solutions, backed by the enhanced security required by the U.S. Department of Defense (DoD) and U.S. Department of Homeland Security (DHS), enable organizations to safely and securely embrace, manage, analyze and maximize the benefits of mobility.
