

U.S. NAVY Spiral 4 Contract

Delivering essential commercial communication solutions to the U.S. Navy and federal agencies.

WidePoint is a carrier-agnostic provider for the procurement of unclassified Wireless Mobility Telecommunications Services and Devices for Military Members and defense agencies.

WidePoint delivers the best value solution and the required cyber security profiles through the Spiral 4 contract.

About WidePoint

WidePoint Corporation (NYSE American: WYY) is an innovative technology Managed Solution Provider (MSP) dedicated to securing and protecting the mobile workforce and enterprise landscape.

With headquarters in Fairfax, Virginia, WidePoint is recognized for pioneering technology solutions that include Identity & Access Management (IAM), Managed Mobility Services (MMS), and Telecom Expense Management (TEM).

Key Benefits:

- 100% US-based Customer Service Team
- WidePoint's TEM platform is in final stages of FEDRamp approval
- Secure lifecycle management platform to manage multiple mobile devices & service lines
- Access to multiple types of carriers allows you to switch carriers for any one or all of your devices at any time (only applies to certain Line Items)
- Monitor expenditures and expense reduction patterns for multiple Requiring Activities (regardless of carrier)
- Request device replacement/refresh and track delivery status
- Robust reporting with dashboard analytics provides nearly limitless reporting options on all facets of expense management (per Requiring Activities)
- Integrate with multiple applications like Samsung Knox and Apple Business Manager
