

WidePoint Postpones Fourth Quarter and Full Year 2024 Conference Call

This delay is not related to any material concerns regarding the company's financial condition or operations

FAIRFAX, VA / ACCESSWIRE / March 25, 2025 / [WidePoint Corporation \(NYSE American: WYY\)](#), an innovative leader in enterprise cybersecurity and mobile technology, is postponing the conference call to discuss its financial results for the fourth quarter and full year ended December 31, 2024, originally scheduled for Wednesday, March 26, 2025.

The postponement is due to a subsequent event which occurred in March 2025 and impacted the accounting treatment of WidePoint's financial results. WidePoint needs additional time to assess the impact on its financials, and accordingly, has delayed its financial statement preparation and completion of the audit for 2024. The Company plans to file its Form 10-K timely and intends on rescheduling the fourth quarter and full year 2024 conference call.

The Company will issue a press release announcing the new date and time for the postponed earnings call upon the completion of the audit.
