A full day of power and then some.

With up to 12 hours of continuous use, you can power through a long workday or stream the latest binge-worthy show from Netflix. This long-lasting, rechargeable battery won't quit before you do.¹

Lightning-fast speeds.

Outfitted with dual-band 802.11 ac Wi-Fi, you'll experience ultra-fast data speeds and greater range. And just faster, it's energy-efficient too.
